If after evaluating the price analysis, Bank at its sole discretion determines that the bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price and then the said bid / proposal maybe rejected. Further, abnormally low bids (i.e. quoted amount less than Project estimate by 25%), the selected contractor shall have to submit additional performance guarantee of amount equal to 3% of the tendered cost for the entire period of project completion + 60 days. The project estimate shall be as per Bank's record. Decision of Bank in this regard shall be final and binding.
